**"Five Reasons We
Should Pray"**

If God knows everything we need before we ask, then why should we pray? If we do not understand the purpose of prayer we may not be motivated to pray. Prayer is one of the most powerful forces in the universe and this is why so many Christians struggle with or do not have a daily prayer life.

#1 Prayer is how we develop a relationship with God. #2 some things will not happen if we do not pray. #3 prayer shows God how desperately we want something. #4 prayer is the way we release our burdens to God. #5 when we pray, God intervenes in other people's lives and changes them.

Prayer cards are available so the church family can join together as we pray daily the prayers listed on the card. We also invite you to fast in addition to your prayer through the end of the year.

WE'RE HAVING AN AUCTION!

JoAnn Covelli (Maria's mom) has donated four sets of Heaven's Little Angel Ornaments from The Bradford Editions. Her explicit instructions were to use the proceeds for our new Sanctuary. Each set has 3 different angels.

The auction runs from November 18th at 12pm through December 15th at 8:00pm. These precious ornaments will make a lovely gift or addition to your tree! Just click the link and follow the instructions to bid!! GOOD LUCK!
